DAS Trainee Representative

Dear DAS member,

We are delighted to announce that applications for the role of Trainee Representative are now welcome from Full (UK & Irish) members of DAS in good standing.

The role of Trainee Representative is multi-faceted and is influenced by the skills and experience of the individual. This will include managing the DAS Trainee social media platforms and contributing to other facets of the Society's output such as the ezine/newsletter, webinars and guidelines. There will be an emphasis on education as well as providing a trainee perspective on matters arising within the committee.

Additional information on eligibility for and the role of the trainee representative can be found by emailing the Secretary (secretary@das.uk.com).

Demonstrable evidence of a prior interest in airway management is advantageous, but not a prerequisite.

Application process:

- The trainee representative must be post-FRCA / FFARCSI.
- Applications are open from 1st September to 23:59 (BST) on 30th September 2024.
- A cover letter and CV are then reviewed by DAS Executive and the top candidates invited to interview.
- Interviews will be conducted from the 14th October 2024
- Results will be announced to members on 29th November 2024 at the DAS Annual Members Meeting.
- The tenure of DAS Trainee Representative will be for a fixed 2-year term from announcement of results.

If you are interested in applying, please submit a cover letter and CV to the DAS Secretariat at DAS@anaesthetists.org

Closing date: 23:59 (BST) 30th September 2024

Kind Regards,

Dr Ravi Bhagrath
DAS Honorary Secretary
